

WESTERLY PAGEANT 23 FOR SALE

This 23ft bilge keel sailing cruiser is recognised for its seaworthiness and excellent interior space for the size of boat. With four berths below and a sizable cockpit it is a spacious small boat suitable for coastal sailing.

This particular boat would be considered a project boat that will require a substantial amount of work to restore it to its former glory and this is reflected in the very low asking price.

The yacht is currently lying ashore at Cramond Boat Club, Edinburgh and a condition of sale is that the boat would be removed for its renovation as we do not have suitable facilities at the club. More photographs available on request.

Equipment:

2 mainsails, 2 genoas , 1 jib (old but serviceable)
7.5kg Bruce anchor and chain
Yamaha 6hp long shaft 2 stroke outboard engine with 10L fuel tank

Notes: Inboard engine and prop shaft have been removed, and stern tube blanked.
Marine toilet has been removed.
Gas cooker has been removed.
